

Noise Barrier	Location		Representative Receivers from Environmental Assessment	Status (as of Mar. 2024)
1	Lantower Ambrosio Apartment Complex	northbound I-35 south of Wells Branch Pkwy	R15	Noise barrier was approved by property owner and will be constructed.
2	The Vineyard Apartment Complex	northbound I-35 north of The Lakes Blvd	R17	Not approved by adjacent property owners, therefore will not be constructed.
3	North Oaks Neighborhood	northbound I-35 north of Braker Ln	R42-43, R45, R46	Noise Workshop is being planned for spring 2024. However, the proposed noise barrier cannot be constructed without the approval of property owners and residents who are adjacent to or would benefit from the proposed barrier.
4	Cricket Hollow Apartment Complex	northbound I-35 north of Plaza Dr	R48	Not approved by adjacent property owners, therefore will not be constructed.
5	Starburst and Orbit Apartment Complexes	southbound I-35 south of Rundberg Ln	R59, R60	As the design progressed after the schematic and environmental process, this barrier was no longer found to be constructible due to utility relocations and the need for additional right of way.
6	Woodland Heights Apartment Complex	southbound I-35 north of Powell Ln	R67	As the design progressed after the schematic and environmental process, this barrier was no longer found to be constructible due to utility relocations and the need for additional right of way.
7	Towne Oaks 1 Apartment Complex	southbound I-35 north of US 183	R73	As the design progressed after the schematic and environmental process, this barrier was no longer found to be constructible due to utility relocations and the need for additional right of way.
